Please note that 100% cancellation charges would apply in these circumstances. You should be aware that although many hotels cater for wheelchairs there still might be steps or stairs to contend with (this will also apply to places visited on excursions). We would strongly recommend that people with special needs do not travel alone unless they are totally self-sufficient. Our coach drivers will gladly give assistance when required, however, it is not possible for the coach driver, or fellow passengers, to become full-time carers for the duration of the tour. We regret that we are unable to accept bookings from customers whose special needs make them heavily dependant on others, unless they are accompanied by a dedicated travelling companion who will assist them throughout the tour. Should the decision to refuse a booking be disputed by the customer, a Doctors 'Certificate of Fitness to Travel Unaccompanied' will be required (at customers own expense).

## 13 Accommodation and Special Requirements

Please provide written notification when booking of any special requirements (e.g. special diets). We will note these requirements on your booking confirmation and do our utmost to satisfy them, however, we cannot guarantee that they will be met and hence their provision is not a condition of this contract. Nevertheless, hotels are usually sympathetic to requests relating to medical matters. Requests for double rooms are honoured wherever possible, however, since many modern hotels have a majority of twin rooms this cannot be guaranteed. All rooms have private facilities and this is deemed to have been affected by the provision of either a bath and WC or a shower and WC, requests for one or the other can only be treated as requests. Single rooms will be sold to you at the supplement (if any) specified in the tour description. Additional single rooms over and above our original allocation, which is usually 4-8 rooms, may attract a surcharge levied by the hotel.

## 14 Passports and Visas

For all Continental holidays you will require a full 10-year British Passport. If you have any doubts about your status as a resident British subject, or you do not hold a full British Passport, you must check with the Embassies or Consulates of the countries to be visited to confirm the passport or visa requirements needed in your particular circumstances. We cannot accept responsibility if passengers are not in possession of the correct travel documents.

## 15 Health

Under normal circumstances, most Western European Countries do not require visitors to be vaccinated. However, we will indicate any known vaccination or other health requirements where possible for each country to be visited. If you are unsure of the health requirements of the country you are visiting, you are advised to check with your doctor before travelling.

## OUR PROMISE TO YOU

### 1 We reserve your Holiday

When you or your travel agent has provisionally confirmed that we have space on the holiday of your choice, a confirmation/invoice will be forwarded to you normally within 14 days of receipt of your signed booking form and deposit. The contract is made between us when you receive this confirmation. Provisional bookings will only be held for 14 days.

### 2 Your Holiday Price

Holiday prices include all coach travel, hotel accommodation, and meals, as specified in the holiday description, and VAT where applicable. Morning coffee, afternoon tea, and other refreshments taken at establishments en-route are not included. Some hotels may make a small charge for portage and tea/coffee served after dinner. Gratuities to hotel staff and driver/couriers are discretionary. Unless specifically indicated in the tour itinerary or description, entrance fees and guide fees are not included in the holiday cost. Extras at hotels (such as newspapers, telephone calls, and room service etc), midday meals and other refreshments taken during the tour, all admissions to attractions and places of interest, fares for boat trips (other than those which are a necessary part of the journey), and fares for train rides, are NOT included in the holiday cost unless otherwise stated.

The price of your holiday is subject to surcharges resulting from the following: fuel increases, government action, including additional bonding or licensing requirements, VAT, taxes, or levies by the UK (or overseas) government or government agencies. In all cases we reserve the right to pass on these amounts in full. However, for other increases such as those resulting from currency fluctuations, and increases in scheduled fares, we will absorb an amount equivalent to 2% of the holiday price which excludes insurance premiums and any amendment charges. Only amounts in excess of this 2% will be surcharged, but where a surcharge is payable there will be an administration charge of £1 per person together with an amount to cover agents commission. If this means paying more than 10% on the holiday price, you will be entitled to cancel your holiday with a full refund of all money paid except for any premium paid to us for holiday insurance and amendment charges. Should you decide to cancel because of this, you must exercise your right to do so within 14 days from the issue date printed on the invoice. Surcharges will not be imposed within 30 days of departure date.

### 3 If we change your holiday

The arrangements for holidays in our brochures/leaflets are made many months in advance and changes are sometimes unavoidable. However, most of these changes are very minor, but where they are significant we will notify you as soon as reasonably possible before your departure date.

A "significant change" is one that involves changing your departure date; resort area or reducing the quality of your main hotel. Changing the location of a single overnight hotel does not constitute a significant change nor do minor changes between original and final itineraries. In the event of a "significant change" you may decide to: [a] continue with your holiday as amended; [b] accept an alternative holiday, which we may offer you (with price adjustment as appropriate); or [c] cancel your booking. If you cancel your booking we will refund all monies paid by you. No other claims

for compensation or expenses will be considered.

### 4 If we cancel your holiday

We reserve the right to cancel your holiday, if for example, there is insufficient demand, and if this should occur we would return to you all the monies you have paid to us or offer you a suitable alternative holiday. However, we will not normally cancel your holiday within 3 weeks of departure unless (a) you have not paid for your holiday in full or (b) your holiday is influenced by, war or threat of war, adverse weather conditions riots, civil strife, terrorist activity, industrial disputes, natural or nuclear disasters, fire, epidemic or health risk, technical problems to transport, closure or congestion of ports, or similar events beyond our control. If we have to cancel your holiday, we are liable only for monies you have paid to us.

### 5 What happens to complaints?

All complaints that are received are thoroughly investigated and customers kept informed at each stage of the investigation, however, sometimes these investigations can take time awaiting response from our suppliers. We can normally agree an amicable settlement of the few serious complaints that we receive if the complaint is found to be genuine. For complaints made as a result of component parts of your holiday as advertised in our brochures/leaflets not being supplied to you to a reasonable standard we will pay you a reasonable compensation provided that the complaint is genuine and the correct complaints procedure has been followed. However, our overall liability is limited by the exclusions below and our liability to each claimant is limited to the total cost of the holiday per person. (Please refer to "Your contract with us" item 5 for complaints procedure and "Our Promise to You" items 6, 7, 8 and 9 which refer to liability, hotel amenities, brochure/leaflet accuracy, and running times).

### 6 Liability

We accept no responsibility for and shall not be liable in respect of the non-provision of advertised component parts of your holiday, or any loss, damage or additional expense incurred due to circumstances which we could not predict and which were beyond our control, such as adverse weather, road or traffic conditions, or the matters referred to in paragraph 4 (b) above.

### 7 Hotel amenities

We will not be liable for the unavailability of the following hotel amenities: amenities (e.g. hotel lifts and swimming pools etc) that require servicing, repair and cleaning and may not therefore be available at all times, services that may be affected by weather conditions and their availability is entirely at the discretion of the provider of the service, entertainment provided by hotels which is often subject to demand and its nature and/or frequency may be varied if there is a lack of demand or insufficient numbers staying at the hotel.

### 8 Accuracy of brochures/leaflets

In all cases all descriptions of hotels, resorts, places of interest etc are published in good faith and are believed to be correct at the time of printing.

### 9 Published Running Times

The published running times of services are estimates only and we will not be liable for any loss (howsoever caused) arising from delay or failure to operate services in accordance with published timings.

### TRAVELLING ABROAD

If travelling abroad please ensure that you have a valid 10-year passport. You will also need a European Health Insurance Card (forms available from the Post Office), this will enable you to reclaim medical expenses incurred in certain European countries. to accommodate frames & folding wheelchairs etc on the coach.

However, we request that you advise us of any special needs, and that you notify us if you intend to bring a mobility aid. ## Coach Holiday Travel Insurance

We strongly recommend that you are adequately insured when you travel on any of our holidays. Prior to departure, we will request that you provide us with details of your insurers, your policy number and the emergency number stated on your policy.

From the 1st January 2009, the sale of travel insurance connected to holiday or related travel was regulated by the Financial Services Authority, and as a result, from this date, we were no longer able to offer you travel insurance, or advise you on travel insurance related matters.

We will enclose a leaflet from Towergate Chapman Stevens, our preferred Insurance Brokers, with your booking confirmation, which will give you information on how to purchase Travel Insurance from them. Towergate Chapman Stevens are travel insurance specialists in the coaching industry.

Although we strongly recommend that you are adequately insured when you travel on any of our holidays, it is not a condition of travel for our UK mainland tours that you have insurance cover. However, for all other tours (Continental, Channel Isles etc) insurance cover is compulsory. **Please remember that Travel Insurance covers you for cancellation charges and other losses, not just medical treatment.** Please refer to our cancellation terms on page 25 of our brochure.

**SEAT ALLOCATION:** You may choose your coach seat from those available and then the allocated seat is yours for the duration of the holiday or excursion. The plans above are the most commonly used seating arrangements, however, occasionally coaches with a different layout are used, necessitating reallocation of some seats. In this case your new seat will be allocated as close to the original as possible.

**\*Note:** some 53 seater coaches have an alternative layout and seats 31 & 32 are behind the WC & servery (not in front, as shown above).

## Gift Vouchers

**Stuck for ideas for Christmas, birthdays or any other special occasion?** Our gift vouchers make a popular and much appreciated present for friends and family. Vouchers can be issued for any amount and are redeemable for both day excursions and holidays.
